AVAILABILITY OF UNIVERSITY FACILITIES

**1-0107
GENERAL UNIVERSITY
JANUARY 7, 1970**

POLICY

1.01 The Oklahoma State University of Agriculture and Applied Sciences recognizes its obligation as a publicly-supported institution for higher learning in Oklahoma to make its facilities available, not only to its students, faculty, and staff, but to the general public, as well.

1.02 The University recognizes, however, that a person's presence on the campus must have some official purpose consistent with the overall mission of the University. Facilities of the University are not available to persons whose presence contributes nothing to the institution's educational mission.

1.03 The 1969 Oklahoma Legislature, by the enactment of Enrolled Senate Bill Number 340, recognized that from time to time persons would appear on college campuses in this state for the express purpose of creating a disruption, either on an active or passive basis, and, therefore, provided a misdemeanor penalty for any non-student who failed to leave the campus after an order by the President or his designated representative.

PROCEDURE

2.01 The Oklahoma State University, realizing the legislative intent in this measure, will conform to its terms to the strictest degree and will utilize this Act as deemed necessary to ask non-students to leave the campus when those persons are in violation of Senate Bill 340.
